

Play the "Golf" Coast

The South Coast has earned itself the title of "The Golf Coast" for good reason. This multifaceted area earned the nickname "The Golf Coast" as many of the courses are ranked amongst the top 100 courses in South Africa and offers players year-round opportunities due to the fantastic weather and safe playing conditions. This area is undeniably one of the superior golfing destinations in South Africa, with eleven superb golf courses set in a sub-tropical paradise against the backdrop of the balmy Indian Ocean.

Teeing off with the soothing sound of the waves crashing in the background... What more could you ask for?
