# 3 DAY SARDINE RUN TOUR PACKAGE

*Every winter, between the months of May and August, about 700 000-000 sardines migrate up the coast, followed by scores of dolphins, sharks, seals and game fish, as well as circling seabirds, all of which join in the feeding frenzy.*

*The KwaZulu-Natal South Coast visitors can experience our jam-packed marine activities during the Sardine Run Season , such as diving , ocean safaris, surfing, fishing ,etc..*
